

Fair5ive Privacy Policy

We Fair5ive value are users feedback and comments. This Privacy Policy defines how and what information can be collected from this app.

Personal Information

We do not collect any form of direct personal information from the user of our app. We do not ask for registration with email address, phone number, Facebook login or in any other form. Fair5ive does not collect any information directly at its end from the user.

If the user sends us a feedback on our email address fair5ive@gmail.com from user's email address, we may keep that email address in our records for correspondence.

Third Party Information

We collect no information for commercials and ads directly at our end. however we use ads from Google admob and Unity Ads, they have their own policy of collecting the user and device information. You can check their policy at their links:

<http://www.google.com/AdMob>

<https://unityads.unity3d.com/admin/terms-en.html>

Policy Update

We may change this policy time to time. However you will find the most recent version here. We may add features in our app to collect direct information from the user in the future, and we will update our policy at that time. Do check this policy whenever you have an update of the app.
